Rosemary tree

CARE CARD | herbandhollow.com

LIGHT
Your sunniest window, 6+ hours of direct sun, or a grow light.

WATER
When the top inch of soil is dry. Never let the root ball dry out completely. Empty the saucer.

ROOM
Cool and bright. Keep it away from heat vents, fireplaces and candles.

PETS
The ASPCA lists rosemary as non-toxic to dogs, cats and horses.

A gift for: _____ From: _____

Norfolk Island pine

CARE CARD | herbandhollow.com

LIGHT
Bright, indirect light. Away from drafts and heat vents.

WATER
When the top inch of soil is dry; a little less in winter. Empty the saucer.

AIR
Dry air browns the tips. A pebble tray helps; skip misting.

PETS
The ASPCA lists Norfolk Island pine as non-toxic to dogs, cats and horses.

A gift for: _____ From: _____

Herb pot (basil, thyme)

CARE CARD | herbandhollow.com

LIGHT
A sunny window. Keep leaves off cold glass.

WATER
When the top inch of soil is dry. Pour out what drains into the saucer.

SNIP
Cut stem tips often to keep the plant bushy.

PETS
The ASPCA lists basil and thyme as non-toxic. It lists mint and parsley as toxic.

A gift for: _____ From: _____

Any plant (fill in)
